Re: April Quarterly Report (1/02-3/31/02)

ID: CDD14323D

Dear Ms. Williamson:

This response is to answer questions raised by the Federal Election Commission's ("FEC") notification, dated September 11, 2002, regarding information reported on the above referenced report.

Issue: -- Non-Federal transfers for joint activity

□□

Response: LA committee is not required to make the non-federal to federal account transfers within a single reporting period for all joint activity expenditures made in that period. As noted in your correspondence, transfers for shared activity must be made within a 70-day time period. The non-federal transfers as reported on Schedule A, supporting Line 18 is higher than the non-federal share of joint activity for this reporting period due to the fact some of the transfers were for joint activity in the previous reporting period.

Issue: -- Unity 1998 Receipt

Response: L Using internal compliance procedures the committee researched the "Unity Committee 1998" using the FEC website. Finding the congressional member campaign committee to be registered with the FEC, the committee disclosed the contribution as a federal receipt. The committee will contact Congressman Ackerman's office for further investigation.

Issue: \_ \_ Debts owed to Creditors

Response: Γ An amended report filed electronically on 9/26/02 discloses the missing entry on Schedule D, Line 10 for the creditor referenced in your correspondence.

U

Issue: \_ Descriptions for "constituent expense"

Response: L An amended report filed electronically on 9/26/02 provides further clarification for the constituent expense referenced in your correspondence.

Issue: -- Refund for previously disclosed allocable expense

Response: L An amended report filed electronically on 9/26/02 properly discloses the expense refund referenced in your correspondence on Schedule H4.
